In the sunlight I felt the warmth  
I was finally free  
From the chains that had bound me  
In the crypts down below

And the nightmare was over it seemed  
I was back on my feet  
Standing so proudly covered in dust  
But my pride was intact

Where to go I don't know  
The world thinks of me dead  
It's been awhile since I was here

[Chorus:]  
Far Beyond the gates of hell  
Tricked the devil broke the spell  
Travelled on the river Styx to freedom  
Hate and pain I left behind  
Done with burning it's my time  
To leave the fire gates of hell behind me

Then I saw there was a hole in the sky  
God was looking on me  
When the angels of mercy appeared  
Said it's time to leave

Where to go I don't know  
The world thinks of me dead  
It's been awhile since I was here

[Repeat chorus]

Like a fire burning higher  
Like a fire burning up to the night away

[Repeat chorus]
