How do rumors get started, they're started by the
jealous people and
They get mad seein' somethin' they had and
sombod' else is holdin'
They tell me that temptation is very hard to resist
These wicked women, ooh, they just persist
Maybe you think it's cute, but girl, I'm not impressed
I tell you one time only with my business please don't
mess

Look at all these rumors surroundin' me every day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and
the girl next door

Hear the one about Tina, some say she's much too
loose
That came straight from a guy who claims he's
tastin' her juice
Hear the one about Michael, some say he must be gay
I try to argue, but they said if he was straight he
wouldn't move that way
Hear the one about Susan, some say she's just a
tease
In a camisole she's six feet tall, she'll knock you to
your knees

Look at all these rumors surroundin' me every day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and
the girl next door

I can't go no place without somebody pointin' a
finger
I can't show my face 'cause when it comes to rumors
I'm a dead ringer
It seems from rumors I just can't get away
I bet there'll even be rumors floatin' around on
Judgment Day
I'll think I'll write my congressman and tell him to

pass a bill
For the next time they catch somebody startin'
rumors, shoot to kill

Look at all these rumors surroundin' me every day
I just need some time, some time to get away from
From all these rumors, I can't take it no more
My best friend said there's one out now about me and
the girl next door

What's mine is mine, I ain't got time for rumors in
my life
I'm a man who thinks, not a man who drinks, so
please let me live my life
What's mine is mine, I ain't got time for rumors in
my life
I'm a man who thinks, not a man who drinks, so
please let me live my life

Stop (Stop) spreadin' those rumors around
Stop (Stop) spreadin' the lies
