I couldn't stand it
Must do something
Must do something that I don't want to
It's like we've lost
So many things
So many things are caught up
In the fairweather
You would remind
The promise that we couldn't save
I thought we were friends
Now it's yesterdays
Are all I have to depend
I know that you're right
I should admit it
I should admit it but I don't want to
It's like we've lost
So many things
So many things are caught up
In the fairweather
You would remind
The promise that we couldn't stay
I thought we were friends
Now it's yesterdays
I don't understand why I feel this way
How will it end? It's out of my hands
You would remind
The promise that we couldn't save
I thought we were friends
Now it's yesterdays
I don't understand
I thought we were friends
