Speak for yourself.
My child is gone
And nothing can bring him back.
He was the gold in 20
A good kid in school
16 just beginning to live
Now he's gone away from here
He was closer to being a man than most of us ever get
Now he's gone away from here
With his mother I share the tears
Now all I want are happy endings
Please, there is nothing left for me to see
Walk the streets of gold with me
Because now all I want are happy...
It's not fair what happened to Joe
He was stronger than I'll ever know
"He'll get better" I told myself
The last time that I saw him alive
Now he's gone away from here
Halloween will not be the same
The day that would change his fate
Now he's gone away from here
With his loved ones I share the tears
Now the words seem clear
What the message was
I cannot give in
I cannot give up
Now the world sees him
As a tragic loss
He did not give in
He would just keep going on...
