I love myself in arms before my TV set
Looking for a good program over and every time again
A rock 'n' roll record on the last dance end
Yeah, since I have it, baby
I think going crazy, psychosis, psychosis

I got the rocka, rocka, rocka, rockabilly psychosis
Rocka, rocka, rockabilly psychosis
Turn this manuals 'til my aches are better
Rocka, rocka, rockabilly psychosis
Since I have it, baby
I think going crazy, psychosis, psychosis

Well then I went to see the doctor just to ask him what
to do
He said there's not a single thing that I can do for you
You got the rocka, rocka, rocka, rockabilly psychosis
Rocka, rocka, rockabilly psychosis
Since I have it, baby
I think I'm going crazy, psychosis, psychosis

I got the rocka, rocka, rocka, rockabilly psychosis
Rocka, rocka rockabilly psychosis
Turn this manuals 'til my ache doesn't matter
Rocka, rocka, rockabilly psychosis
Since I have it, baby
I think going crazy, psychosis, psychosis
