It's all over, all over  
Back to school again  
Goodness gracious, summers over, all over  
Guess it had to end  
Bye-bye good times  
Back to school again.

No more swimming, no swimming  
Hello history  
No more spoofin, no goofin  
Good morning Mr. Lee  
It's all over  
Back to school for me.

Well it's all over, all over  
Back to school again  
Penitentiary, holy mackerel  
Here I come again  
Bye-bye good times  
Back to school again.

Here I come again  
Back to the yard
