Why Can't We Live Together?

Tell me why, tell me why, tell me why, why can't we live together?

Tell me why, tell me why, why can't we live together?

Everybody wants to live together

Why can't we be together?

No more wars, no more wars, no more war, just a little peace in this world

No more wars, no more wars, all we want is some peace in this world

Everybody wants to live together

Why can't we live together?

Gotta live, gotta live, gotta live together, gotta live together

No matter, no matter what colour, you are still my brother

I said, "No matter, no matter what colour, you are still my brother"

Everybody wants to live together

Why can't we live together?
