What comes around  
What comes around  
What comes around  
What comes around  
Just comes around

What goes around  
Just comes around  
This is the sound  
It's time to get down

What goes around  
Just comes around  
This is the sound  
It's time to get down

What goes around  
Just comes around  
This is the sound  
It's time to get down

It's time to get down
