Life is hard  
You're afraid to pay the fee  
So you find yourself somebody who can do the job for  
free  
When you need a bit of loving, 'cause your man is out  
of town  
That's the time you get me running, and you know I'll  
be around

I'm a fool to do your dirty work, oh yeah  
I don't wanna do your dirty work, no more  
I'm a fool to do your dirty work, oh yeah

So light a candle  
Put the lock upon the door  
You have sent the maid home early, like a thousand  
times before  
Like a castle in his corner, in a mid-evil game  
I foresee terrible trouble, but I stay here just the same

I'm a fool to do your dirty work, oh yeah  
I don't wanna do your dirty work, no more  
I'm a fool to do your dirty work, oh yeah

I'm a fool to do your dirty work, oh yeah  
I don't wanna do your dirty work, no more  
I'm a fool to do your dirty work, oh yeah

I don't wanna do your dirty work, no more  
I'm a fool to do your dirty work, oh yeah  
I don't wanna do your dirty work, no more
