Try to put on a frown
Vanish the smile with a lie
I look like I'm out of my mind
Everyone seems to know
Notice the air in my strive
Fear no wanna dare ?
Kind of / I know ?

Can it be so that I'm
falling in love again.
Everyday all I know,
and never and never and never and never
falling in love again, falling in love again
and never, that I know, forever, and never
and this day an angel.

Shame on who I've become
Hugging people I don't like
Looking at my hands (?),

Fear no one is there ?
Kind of / I know ?

Can it be so that I'm
falling in love again.
Everyday all I know,
and never and never and never and never
falling in love again, falling in love again
and never, that I know, forever, and never
and this day, an angel.
this day an angel
this day an angel(-----)

Come on guys

And ever, and ever, and ever, and ever
Can it be so that I'm
falling in love again.
Everyday all I know,
and never and never and never and never
falling in love again, falling in love again
and never, that I know, forever, and never

Can it be so that I'm
falling in love again.
Everyday all I know,
and never and never and never and never
falling in love again, falling in love again
and never, that I know, forever, and never
and this day an angel
this day an angel
and this day an angel
