"Halo"

No clouds on the horizon, things are looking good I'll say.
So I don't really need this lie I made up for you to stay.
But I can't help myself from being a martyr with a halo.
So never mind my saying, here I go:

If you walk out on me I swear to God I'll kill myself.
And if you turn your back and go, remember, I'm a martyr with a halo.

Don't worry it's just small talk to let you know I feel.
You won't see me too worried, what's next is not for real.

But if you walk out on me I swear to God I'll kill myself.
And if you turn your back and go, remember, I'm a martyr with a halo.
