Oh oh oh oh ...

I know I've been cold to you.
And I feel that now I've got to be bold to you.

That's why I'm saying that:
I know I want to be with you if only a lifetime.
I know I want to be with you if only a lifetime.

Oh oh oh oh ...

I wish I could see through you;
To see the picture and the frame and the whole big
game
and if you still treasure me. Do you?

But to think when I noticed you in your worn flower
dress and
your Adidas shoes, that it was then I knew.
And the claim that I make is one not two so
just hears me out and then see me through.

Let's start anew because:
I know I want to be with you if only a lifetime.
I know I want to be with you if only a lifetime.
