Mummy, I'm not crying
I just got something in my eye
And mummy, I quit drinking again
But I just can't stand these god damn lies
Ooooooh, ooooooh, ooooooh, oooooh

Daddy, am I drowning?
I just can't tell from all the rain
And daddy, can you help me?
I don't think I'll survive this fucking pain
Ooooooh, ooooooh, ooooooh, oooooh

Brother, how you love me?
But are things still going just the same?
Oh brother, I am freezing
And I just can't figure who's to blame
Oh, ooooooh, ooooooh, oooooh, oooooh

Sister, should I tell them...
I've been hiding in my shell for all these years?
And sister, am I happy again?
I can't see my face through all these tears
