"My Valentine"

Visit "[My Valentine](#)" on MotoLyrics.com

I don't think about the sunshine
Or the moon or the stars
I don't believe them anyway
And I don't think about the springtime
Or the streets or the cars 'cause
All I think about is you,
My valentine

I don't want to be a burden
A lump on your back
Or anything that wastes you down
And never have I been so certain
I'll stand my ground 'cause all I think about is you
All I think about is you
All I think about is you,
My valentine

You, you, you...
I think of you, you, you, you
My fire, you
Oh, all I think about is you,
My fairytale goddess
All I think about is you
All of the time
