A voice has always told me were to go
When I was lost I listened and it showed
It opened up the path in front of me
And if I chose it, it was clear
My days were light

But now I'm lying stable to the floor
The right that I jumped
Knocked me out on four
I've gone from doing simple things in different
constelations
To alone and I'm losing sight

So whose it gonna be
What am I gonna do as an outcast?
And who am I gonna know if someone gonna show me
the outcast?
And though I may see confident the plain truth is I'm
scared, yeah
Shitless
Oh
I'm losing sight

I guess I should be laughing at the sorry state I'm in
Sit back and just relax and continue a life of sin
I know all the wrongs and rights but my mind is moving
slower
Oh man
I'm losing sight

So whose it gonna be
What am I gonna do as an outcast
Who am I gonna know if someone gonna show me the
outcast
And though I may see confident the plain truth is I'm
scared, yeah
Shitless
Oh
I'm losing sight

Whose gonna take me home x3

So whose it gonna be what am I gonna do as an outcast
How am I gonna know if someone gonna show me the
outcast
Though I may see confident the plain truth is I'm
scared, yeah
Shitless
So, I'm losing sight

So whose it gonna be what am I gonna do as an outcast
How am I gonna know if someone gonna show me the
outcast
Though I may see confident the plain truth is I'm
scared, yeah
Shitless
Oh
I'm losing sight

Though I may see confident the plain truth is I'm
scared, yeah
Shitless
Oh
I'm losing sight
