Wake up kids
We've got the dreamers disease
Age 14, we got you down on your knees
So polite, you're busy still saying please
Fri-enemies, who when you're down ain't your friend
Every night we smash their Mercedes - Benz
First we run and then we laugh till we cry

But when the night is falling
And you can't find the light
And if you feel your dream is dying
Hold tight

You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
You only get what you give

Four a. m. we ran a miracle mile
Were flat broke but hey we do it in style
The bad rich
God's flying in for your trial

But when the night is falling
And you can't find the light
And if you feel your dream is dying
Hold tight

You've got the music in you
Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget

You only get what you give

This whole damn world can fall apart
You'll be ok, follow your heart
You're in harms way
I'm right behind
Now say you're mine

Health insurance rip off lying FDA big bankers buying
Fake computer crashes dining
Cloning while they're multiplying
Soulless media misleading
People unaware they're bleeding
No one with a brain is believing
It's so sad you lost the meaning

Don't let go, oh oh
One dance left
Don't give up, no no no
Can't forget

Don't let go
You've got the music in you
One dance left
This world is gonna pull through
Don't give up
You've got a reason to live
Can't forget
You only get what you give

Don't let go, oh oh
One dance left
Don't give up
You've got a reason to live
Can't forget
You only get what you give
