All I need is a miracle
All I need is a miracle
All I need is a miracle
All I need is a miracle
And you, and you, and you

I said, "Go if you wanna go
Stay if you wanna stay"
I didn't care if you hung around me
I didn't care if you went away

And I know you were never right
I'll admit I was never wrong
I could never make up my mind
I made it up as I went along

And though I treated you like a child
I'm gonna miss you for the rest of my life

All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
Is you, is you, is you, is you, is you, is you

I never had any time
And I never had any call
But I went out of my way just to hurt you
The one I shouldn't hurt at all

I thought I was being cool
Yeah, I thought I was being strong
But it's always the same old story
You never know what you've got till it's gone

And if I ever catch up with you
I'm gonna love you for the rest of your life

All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you, is you

All I need is a miracle
All I need is a, all I need is a miracle
All I need is a miracle
All I need is a, all I need is a miracle
All I need is a miracle
All I need is a, all I need is a miracle

And if I ever catch up with you
I'm gonna love you for the rest of your life

All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
All I need is a miracle, all I need is you
Is you, is you, is you, is you, is you, is you
