DYNAMIX featuring TINA ANN
Don't Want Another Man

(Written by Adrienne Harkins, Jeremy Skaller , Eddie Cumana)

You, Don't seem to understand that I
Don't want another man we
Gotta work this thing out to you
Know what I am about

You don't believe a word I say
And I can't have it be this way (na na babe, na na babe)
We gotta make a compromise
Before we start to say our goodbyes (our good byes)
You say that I am never there
baby I ain't going nowhere (Nowhere baby baby)
We need to have some trust for sure so we both know
What this love is for

You, Don't seem to understand that I
Don't want another man we
Gotta work this thing out to you
Know what I am about (2)

Your every wish is my command
I'll always be here holding your hand (I will be right here for you)
We can be so happy babe
So boy I am yours you got me

You, Don't seem to understand that I
Don't want another man we (just don't understand)
Gotta work this thing out to you (understand me baby)
Know what I am about (2) (Know what I am about)

Gotta work
Gotta work
Gotta work
Gotta work
Gotta work

Gotta work

You, Don't seem to understand that I
Don't want another man we
Gotta work this thing out to you
Know what I am about (2)

(ADLIBS Over it)

I don't want
You don't see
You don't seem
I don't want
I don't seem
