Crawling through the poison pool  
Hiding eyes with bleeding hands  
Every step another fool  
Kings and Queens of sand

Over there an angry god  
Violent brow and negligence  
Making waves that can't be stopped  
Unafraid of consequence

Chosen faith's a lottery  
Heaven sent down forgeries  
Miracles and travesties  
Irreligion sows that seed

Staring through the Judas Hole  
See what I can see?  
Every covenant of souls  
Drum roll payments paid to me...

Bethlehem to Bedlam Fayre - No one helps, no one  
cares!  
Let the people mock and stare - See them run around,  
around, around

This place - So far gone  
Darker than hell - A stagnant field of dreams  
That face - Speaks to me  
So much to say - But nothing's what it seems  
You're only human - Just mortal to me  
You're only human " Just an earthbound disease!

Those eyes " Madness reigns  
Acid tears " A constant stream of pain  
That life " wasted here  
Nothing left " No mourners, no name  
You're only human - Just mortal to me  
You're only human " Just an earthbound disease!

Bethlehem to Bedlam Fayre - No one helps, no one  
cares!  
Let the people mock and stare - See them run around,

around, around  
Bethlehem to Bedlam Fayre - No one helps, no one  
cares!  
Let the people mock and stare - See them run around,  
around, around  
Bethlehem to Bedlam Fayre - No one helps, no one  
cares!  
Let the people mock and stare - See them run around,  
around, around
