Your arms are warm but they make me feel
As if they're made of cold, cold steel
A simple kiss like a turnin' key
A little click and the lock's on me

Can't move my arms, can't lift my hands
I won't admit to where I am
That I know baby
I'm in chains, I'm in chains

I pretend I can always leave
Free to go whenever I please
But then the sound of my desperate calls
Echo off these dungeon walls

I've crossed the line from mad to sane
A thousand times and back again
I love you baby
I'm in chains, I'm in chains, I'm in chains, I'm in chains

Should have known passing through the gate
That once inside I could not have escape
I never thought this could happen to me
Never thought this is where I'd be

But baby, baby, baby, look at me
And I said baby, baby, look at me
I'm in chains, I'm in chains
(Baby baby, I'm in chains)
(Baby baby, I'm in chains)

I never thought this is where I'd be
Never thought this could happen to me, yeah

Baby baby, I'm in chains
Baby baby, I'm in chains
(Baby, look at me, I'm in chains)
Baby baby, I'm in chains
Baby baby, I'm in chains
