I fall apart  
When your around  
When you're here  
I'm nowhere  
I can't pretend  
That I'm not down  
I show it I know it  
I've been a fool  
More than once  
More than twice  
I'm gonna move  
To a new town  
Where the people  
Are nice

I hope I never  
I hope I never  
Have to sigh again  
I hope I never  
I hope I never  
Have to cry again  
I still want  
To beam  
And smile yah  
Happiness is back  
In style  
Yeah  
I hope I never  
I hope I never  
Have to see you  
Again  
Again  
Oh oh oh oh

It should be  
Possible I know  
To see you  
Without stress  
But I can see

I'll have to go  
I'm changing

My address  
My urge to cry  
I have failed  
To conceal  
Life  
It's no fun  
When your hunted  
By the things  
That you feel

I hope I never  
I hope I never  
Have to sigh again  
I hope I never  
I hope I never  
Have to cry again  
I'm for living  
While you can  
I'm  
An optimistic man  
I hope I never  
I hope I never  
Have to see you  
Again  
Again  
Oh, oh, oh, oh

I hope I never  
I hope I never  
I hope I never  
Never, never

I hope I never  
I hope I never  
Have to see you  
Again

Again
