I don't know what it is that makes me love you so
I only know I never want to let you go
Cause you've started something
Oh, can't you see?
That ever since we met
You've had a hold on me
It happens to be true
I only want to be with you

It doesn't matter where you go or what you do
I want to spend each moment of the day with you
Oh, look what has happened with just one kiss
I never knew that I could be in love like this
Its crazy but its true
I only want to be with you

You cast a spell on me
And left me in a trance
I fell into your open arms
And I didn't stand a chance
Now listen honey

I just want to be beside you everywhere

As long as were together, honey, I don't care
Cause you've started something
Oh, can't you see?
That ever since we met
You've had a hold on me
No matter what you do
I only want to be with you

You cast a spell on me
And left me in a trance
I fell into your open arms
And I didn't stand a chance
Now hear me tell you

I just want to be beside you everywhere
As long as were together, honey, I don't care
Cause you've started something
Oh, can't you see?

That ever since we met
You've had a hold on me
No matter what you do
I only want to be with you
I said no matter, no matter what you do
I only want to be with you
