(Ross Inglis)
One step forward
Two steps back
Everytime I meet someone new
I draw another blank
Circular motion
It always ends up the same
A voice in my head
Keeps on calling your name
Calling your name
Images of love
Keep on coming back to haunt me
Images of love
Keep on turnin' my mind around
Images of love
Of when we were together
Images of love
Will haunt me forever
Forever
A flick of the wrist
Another roll of the dice
One more chance for romance
But something makes me think twice
No physical intervention
You don't have to be there
'Cause I'm chained to your name
And the love that we shared
All the love that we shared
Images of love
Keep on coming back to haunt me
Images of love
Keep on turnin' my mind around

Images of love
Of when we were together
Images of love
After all this time you are still on my mind
I keep feelin' the hurt and livin' the pain
'Cause no power on earth
Can ever put out the flame
Images of love
Keep on coming back to haunt me

Images of love
Keep on turnin' my mind around
Images of love
Of when we were together
Images of love
Images of love
Keep on coming back to haunt me
Images of love
Keep on turnin' my mind around
Images of love
Of when we were together
Images of love
Will haunt me forever
Forever
Images of love
Images of love
Images of love
Images of love
