Never (Past Tense)

I can't be with you again
don't remind me
of the good times that we had
I've learned a lot from us since then
and I never want these feelings
to ever come again
no, no

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense

please don't tell me
that you've changed
don't wanna hear on how
you've lost your evil ways
the one who's changed this time is me
and i won't go back
to feeling helpless and deceived
oh, no

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense

your love...
your love...

to think you had me
fooled every now and then
you had me believin'
that i was the reason
that you left

but i won't fall back
in love with you again
i don't even wanna be
(i don't even wanna be)
your friend
no, no, no

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense

(you'll never hear me crying)
so past tense
(you'll never see me trying)
your love...
so past tense
