Yeah, yeah

Took me twenty years to stand up straight and tall
Took all of twenty seconds for everything to fall
I don't worry about my pride anymore
Pride is something, I just can't afford

I'd go beggin' in the rain
If I could spare you any pain
When it comes to you, I have no shame
No shame, no shame

There's no life by your side, I wouldn't live
There's no sin you could commit that I would not
forgive
I don't try to understand anymore
'Cause I just know my world begins at your door

If I could keep you from the cold
If I could make your tears my own
I'd do anything, I have no shame

No shame for the first time in my life
No shame to get it right for you, I wouldn't think twice
No shame, nothin' I won't sacrifice
There's nothing I won't do, baby
To get you through the night

Fallin', oh, fallin', I'll be there to reach you, baby
To catch you when you're cryin'
I'll be callin', hear me callin'
With a love for you that has no name
I've no shame, baby, yeah

I'd go beggin' in the rain
If I could spare you any pain
When it comes to you, I have no shame

No shame for the first time in my life
No shame to get it right for you, I wouldn't think twice
No shame, there's nothin' I won't sacrifice
There's nothing I won't do, baby

To get you through the night

No shame for the first time in my life
No shame when I do it for you, I wouldn't think twice
No shame, no nothin' I won't sacrifice
There's nothing I won't do, baby
To get you through the night

No shame, yeah, baby, I've no shame
No shame, there's nothin' I won't sacrifice
No shame, baby I, baby, I've no shame
No shame, no shame, when I do it for you, I wouldn't
think twice
No, no shame, oh, I've no shame, I've no shame
Baby, I've no shame, ooh, ah
