Rendezvous  
Im not school girl Juliet  
Who falls in love each night  
But I think Ive fallen on first sight  
Know we only met just yesterday  
I barely know your name  
But I think I love just the same  
I haven't stop thinking about our date tonight  
I hope you haven't changed your mind  
I haven't stop dreaming about you hold me tight  
Tonight all this time  
We got a rendezvous tonight at half past eight  
We got a rendezvous now don't forget our date  
Na na na rendezvous just me and you!  
Repeat  
Ah  
My head is swimming bells are ringing  
I can't move at all  
Day is dragging night will never fall  
I know we only met just yesterday  
In the small caf  
Since that moment Ive been walking tall
