Heard a rumour
You've been seen out late at night with a friend
And there's a word that's going 'round
That soon our love will end
Heard a rumour
I don't believe it
It's all over town
I won't believe it

There's a story I heard
That you've met somebody new
That she's young and beautiful
And means a lot to you
Rumour has it
I don't believe it
It's all over town
I won't believe it

'Cause if you lied to me
After all we had
If you break us apart
I'll be more than mad
I won't believe it

There'll be thunder on the mountain

Darkness on the sea
I've given everything
And you won't take that from me
There's a rumour
I won't believe it
Rumour has it
I can't believe it

There are certain things I've heard
You'll find hard to deny
I'll accept it if you say
It's just a pack of lies
There's a rumour
I don't believe it
The word's been going 'round
I won't believe it

'Cause if you lie to me after all we had
If you break us apart
I'll be more than mad
I won't believe it
