Yeah

I was lost in a world looking inside
And no one could hear me
I close my eyes, and I'm somewhere else
When no one can see me lying, I'm crying
I need some peace
But I haven't found it

Something's gotta change
Nothing stays the same
Something's gotta change
'Cause I can't live this way yeah

I've had love, like a drug running through me
But nothing that's lasting
Turn my cheek, when a man gets weak
Too guilty to speak, when nobody asks me
That's passed me
I am sad, but I'm still laughing

Something's gotta change
'Cause nothing stays the same
Something's gotta change yeah
'Cause I can't live this way

Something's gotta change
Nothing stays the same
Something's gotta change
'Cause I can't live this way

Somebody open a door
Somebody give me something more
'Cause for sure

Something's gotta change
Something's gotta change
'Cause I can't live this way
Something's gotta change
Oh Woah Yeah
'Cause nothing stays the same
Something's gotta change

Yeah
'Cause I can't live this way
Something's gotta
Something's gotta change
