Say that I'm the only one  
But I know that's just a lie  
I'm your Soulmate No. 9  
You're living in a fantasy, in your mind

Woah, woah, woah, woah  
You live in a made up world  
You think that I don't see  
It's a world of make believe

You spin a tangled web  
Just like a fairytale  
It's all in your head

You promised me the world  
You promised me the sun light of sunrise  
You promised me heaven  
But your gonna turn it round

'Cause Soulmate No.9 say that I'm the only one  
But I know that's just a lie, I'm your Soulmate No. 9  
You're living in a fantasy, in your mind  
Soulmate No. 9

You say you're a grown up man  
You've got it in control, your pockets lined in gold  
That's not what I need from you  
It's never what you say, it's only what you do

You look into my eyes  
You try to hypnotize  
You say that it's forever  
But forever means goodbye

'Cause Soulmate No.9 say that I'm the only one  
But I know that's just a lie, I'm your Soulmate No. 9  
You're living in a fantasy, in your mind  
Soulmate No. 9

I would have loved you  
If you'd just be who you are  
If you just say that you want me

And let the feeling feel so real  
I feel you, coming from the heart

'Cause Soulmate No.9 say that I'm the only one  
But I know that's just a lie, I'm your Soulmate No. 9  
You're living in a fantasy, in your mind  
Soulmate No. 9

'Cause Soulmate No.9 say that I'm the only one  
But I know that's just a lie, I'm your Soulmate No. 9  
You're living in a fantasy, in your mind  
Soulmate No. 9

Soulmate No. 9  
Hey, hey, woah, woah, woah, woah

'Cause Soulmate No.9 say that I'm the only one  
But I know that's just a lie, I'm your Soulmate No. 9  
You're living in a fantasy, in your mind  
Soulmate No. 9
