Stars are shining in your eyes  
And I begin to realise  
That our path through times unbroken  
Do you know what it's like  
When a mirror never lies  
And the truth remains unspoken  
And we dance into the fire  
'Cause our spirits take us higher  
Do you feel me now  
Burning like a flame  
If you touch me  
I may disappear  
Floating through your eyes  
How do we resist  
The gravity of love  
In the symphony of life  
There's a place I've never been  
Where there's angels gathering  
and they talk about the future  
When the simple things in life

Can do more to satisfy  
Let the wisdom be my teacher  
You can have all that you desire  
But it may not take you higher  
Do you feel me now  
Burning like a flame  
If you touch me  
I may disappear  
Floating through your eyes  
How do we resist  
The gravity of love  
In the symphony of life  
Symphony of life  
Do you feel me now  
Burning like a flame  
If you touch me  
I may disappear  
Floating though your eyes  
How do we resist  
The gravity of love  
In my symphony of life

Yeah Yeah
