When the sky is gray and it looks like rain  
Just think of me, I'll come running from wherever I am  
Just as fast as I can  
How could I ever stand by  
And watch all your hopes and your dreams just die  
On my word, I'll be there soon  
I'm coming to the rescue

That's the way a woman feels  
She'll walk through fire if she has to  
That's the way a woman feels  
When she loves someone, like I love you

When lightning strikes and the thunder rolls  
And you can't find shelter from the cold

If you close your eyes and say a prayer, I'll be there  
How could I turn away  
From the one whose life I'd die to save  
There's no sacrifice too great to make  
When you are the reason

That's the way a woman feels  
She'll walk through fire if she has to  
That's the way a woman feels  
When she loves someone, she'll be there for you

How could I ever stand by  
And watch all your hopes and your dreams just die  
On my word, I'll be there soon  
I'm coming to the rescue
