(Richard Cocciante/Luc Plamondon) adaptation
anglaise Will Jennings

Ave Maria
Please pardon me
Of in your house
I have come stealing

Ave Maria
No one ever taught me
About kneeling

Ave Maria
Please will you keep me
From the misery, madness, and fools
Who rule this evil world?

Ave Maria
I'm a stranger and you're my last recourse

Ave Maria
Please can't you hear me
Please take me down all these walls between us
We all should be as one

Ave Maria
Please watch over my life night and day

Ave Maria
Oh ! Please protect me
Please guard me and my love now I pray

Ave Maria.
