Artist: Roc Project Feat. Tina Arena

Song: Never (Past Tense)

(I'll never.....)

(I can't be with you)

I can't be with you again
don't remind me of the good times that we had
learned a lot from us instead
And I never want these feelings to ever come again
No no

[Chorus]

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense

Please don't tell me that you've changed
don't wanna here on how you've lost your evil ways
the one who's changed this time is me
and i wont go back to feeling helpless and deceived
Oh no

[Chorus]

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense
you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense
your love
your love

to think you had me fooled every now and then
you had me believing that i was the reason that you left
but i wont fall back in love with you again
i don't even wanna be
(dont even wanna be)

your friend
no no no

[Chorus]

you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense
you'll never hear me crying
you'll never see me trying
to love you once again
your love is so past tense

(you'll never hear my crying)
so past tense
(you'll never see my trying)
your love is so past tense
