VERSE 1

I am touched by love
I am touched by your skin
You are my only one
I will always let you in

I know that my love for you
Has never been so strong
We still have a way to go
So that's why you need to know

CHORUS

It feels so good
Baby you should
Bring me your love and make me smile
It feels so right
Baby tonight
We can make love all the time

VERSE 2

You are in my mind
You are in my heart forever
I am the one for you
We will always be together

You know that my love is true
And always be for real
I can't have enough of you
So that's why I say to you!

BRIDGE

You know the way I feel for you
How I feel.
'cause I'm feeling so good with you ..
