You Put Your Silly Shirt On
You Spray Free Sample Cologne
You Go For Sweet 16
But End Up Close To 40
5 Tons Of Wax In Your Hair
To Highed Your Score Anywhere
You Smell Like Strawberrygum
You'll Make It Happen
Recall Those Days When You Were Wild Done And Free
Now Close Your Eyes And You Will See

Mister Sun!
Come On, Come Will You Follow Me
I'll Take You Back In Time
Come On, Come Will You Follow Me
Back To When You Were Mister Sun
Come On, Come Will You Follow Me
I'll Take You Back In Time
Come On, Come Will You Follow Me
Back To When You Were Mister Sun

You Had The Moves On The Floor
Go Screaming "Get Them All"
Don't Ever Stop Mister Sun
Just Make Us Happy
You Still Have Someting To Show
Your Eyes Don't Shine But They Glow
You Act To Something I Know
You'll Make It Happen
And When The Night Has Gone You Still Got The Touch
I Wanna Dance With You Tonight

Mister Sun!
Come On, Come Will You Follow Me
I'll Take You Back In Time
Come On, Come Will You Follow Me
Back To When You Were Mister Sun
Come On, Come Will You Follow Me
I'll Take You Back In Time
Come On, Come Will You Follow Me
Back To When You Were Mister Sun

Mister Sun!
Come On, Come Will You Follow Me
I'll Take You Back In Time
Come On, Come Will You Follow Me
Back To When You Were Mister Sun
Come On, Come Will You Follow Me
I'll Take You Back In Time
Come On, Come Will You Follow Me
Back To When You Were Mister Sun
