"Breathless"

Close my eyes as the melody
Lifts me up on angel's wings
Love has cast it's spell on me
I wanna feel everything
Hurry up this heart is waitin'
To take me far away from here
Pushin' on anticipatin'
Fear of fallin' just disappears

Baby can't you see that you're the air I need
I'm breathless
Cos there's a deeper me that no one else has seen
I'm breathless

Close my eyes as a lovers kiss
Wakes the fellin's deep within'
Barely touchin' fingertips
I'm ready now for anything

Baby can't you see that you're the air I need
I'm breathless
Cos there's a deeper me that no one else has seen
I'm breathless

As the colours bleed
It's getting hard to breathe
