Good To be Alive

Oh it's good to be alive this sunny morning and to see the world so fine.

Yes it's good to stretch your arms and greet the morning and to know that you are mine.

Oh it's good to be alive and to know I'm living what a turnabout for me and to think

I used to think that I was living is this happening to me.

Into my days and into my heart and into my life you came and brought me beautiful days

Your beautiful ways now touch my heart let the loving starts.

Oh it's good to be alive this sunny morning and to see the world so fine

Yes it's good to stretch your arms and to greet the morning and to know that

You are mine.

Oh it's good to be alive and to know I'm living what a turnabout for me and to think

That I used to think I was living is this happening to me.

Into my days into my heart and into my life you came and brought me beautiful days

Your beautiful ways and touch my heart let the loving starts.

So good to be alive come drink the wine Love Love ,  
Love has arrived is this happening to me

Oh it's good to be alive and to know I'm living what a turnabout for me and to think

that I used to think that I was living is this happening to me.
