HeÂ's the kind of guy gonna catch your eye When you see him walking down the street AinÂ't got no money and he looks a little funny But his clothes are always nice and neat I donÂ't know why he does what he does When I see him I just melt away I know for sure that there ainÂ't no cure So lÂ'm gonna catch him once each day

HeÂ's my sugar, heÂ's my sweet HeÂ's the kind of guy I love to eat HeÂ's my sugar, heÂ's my sweet I want to learn all he can teach

See him wink his eye as he passes by And the color rushes to my face IÂ'll walk that way every single day Just to get a glimpse of him

The moment I donÂ't know what to do I feel I gotta run away But his heartbeat inside just wonÂ't let me hide Cause I gotta make him mine someday Repeat

Sweet, sweet, heÂ's my sugar Sweet, sweet, sweet sweet sugar Sweet, sweet, heÂ's my sugar Sweet, sweet, sweet sweet sugar

Repeat
