Love Bug / Sweets For My Sweet

Love bug, love bug
Love bug I been bitten by the love bug
Love bug I been bitten by the love bug

Woo I know my mama taught me time and again
That you'd be my temptation
But tell me boy could I ever refrain
When you give me this sensation

You're so irresistible how could I say no
Just one kiss was all it took and you set my heart go oh

Repeat

It only took about a minute with you
And I knew that I'd gone under
I started shaking like a leaf on a tree
And my heart beat just like thunder

You're so unforgettable my heart tells me so
Just one kiss was all it took I'm never gonna let you go

Repeat

Love bug, love bug, love bug

Woo love bug I been bitten by the love bug
Woo love bug I been bitten by the love bug
Yes I have
Repeat

Love bug!
Woo Woo

If you want it a star that shine so brightly
To match the star dust in your eye
Darling I would chase that bright star nightly
And try to steal it from the sky

'Cause I'll give sweet

Sugar for my honey
Your taste of kiss thrill me so

Sweets for my sweet sugar for my honey
Iâ€™ll never ever gonna let you go

Woo woo

If you wan Â‘it our love to last forever
Then I would send my love your way
And my love wouldnÂ‘t only last forever
But forever and a day

Repeat

Sweets for my sweet, sweets for my sweet
Oh!
Repeat

Au! Au!
Love bug, love bug
