Life
Mysterious life
We're all moving around
Dancing the rythm of life
Time
Mysterious time
We're all counting the hours and days
'till the end of all time

Were all feeling the change
But we don't know why
Choose one direction just one for time
Don't say I'm thinking too much
If you see what's behind

And these are mysterious times
Mysterious times
No trick of the mind

For this moment I feel
Like we live in
Mysterious times

If you see what's behind
These are mysterious times

Soul
I feel my soul
For this moment
Nobody can stop me from flying so high

Real
I feel so real
In a world of illusion
You only see what you feel

Were feeling the change
But we don't know why
Choose one direction just one for time
Don't say I'm thinking too much
If you see what's behind

And these are mysterious times
Mysterious times
No trick of the mind

For this moment I feel
Like we live in
Mysterious times

If you see what's behind
These are mysterious times

If you see what's behind
These are mysterious times
