Rendezvous

Im not school girl Juliet

Who falls in love each night

But I think Ive fallen on first sight

Know we only met just yesterday

I barely know your name

But I think I love just the same

I haven't stop thinking about our date tonight

I hope you haven't changed your mind

I haven't stop dreaming about you hold me tight

Tonight all this time

We got a rendezvous tonight at half past eight

We got a rendezvous now don't forget our date

Na na na rendezvous just me and you!

Repeat

Ah

My head is swimming bells are ringing

I can't move at all

Day is dragging night will never fall

I know we only met just yesterday

In the small caf

Since that moment Ive been walking tall
