I guess the fool is me I just couldn't see
What you had in mind
I wear a cloak of shame I can't explain
Why I believed your lies
You may have looked like an angel enough for me
But the devil gave you your words
'cos you took all I gave you
Took it with ease
And left me with your curse
You're a mellownoma and you burn
So sweetly so deeply you hurt
Why are people never who they seem
So sweetly so cheaply the fool is me

My judgement fails or so it seems
You burned me to the bone
Thought that was safe now I'm a hopeless case
Hopelessy alone
You may have looked like an angel enough for me
But the devil gave you your words
'cos you took all I gave you
Took it with ease
And left me with your curse

You're a mellownoma and you burn
So sweetly so deeply you hurt
Why are people never who they seem
So sweetly so cheaply the fool is me
