Didn't mean to hurt you how was I so weak
Ain't nothin' sacred in this world at all
Took your love for granted now it cuts so deep
I never saw the writing on the wall
It's too late I had your love but I pushed it away
Twist of fate it's hard to find the words to say
But now I wanna turn back time
I've realised there's no love like the one I left behind
And if I have to wait in line
There'll come a day I'll find a way to turn back time

Never saw it coming I was such a fool
Too busy dreamin' to read between the lines
But goin' round in circles got me so confused
I can't believe I never saw the signs

Now it's too late I had your love but it supped away
Twist of fate it's hard to find the words to say

Never saw it coming I was such a fool
Too busy dreamin' to read between the lines
But goin' round in circles got me so confused
I can't believe I never saw the signs
