Grab a hold to ya seats, my style bulldoze the streets  
I talk dirty, puncture holes in my teeth  
Cavity creep, I'm young hung over thirty  
You with it move with it, now shut up I'm cool with it

Doctor, Jurassic IV raptor  
Wrap your head in a gorge in trenches where rats crawl  
It's mine that's yours, my gun is bisexual  
It's hittin' male or female when I'm lettin' go

This is a code alert, my truck rim size da number  
On Jordan shirt, 23's got to work  
We stick to the streets my shell toe's Velcro  
There I go, wear wolf standing with scarecrow

Y'all niggaz barely move me, 'til you grow some balls  
like ms  
Mann from Scary Movie you banned from being mooly  
I keep it black gutter, white gutter, Chinese gutter by  
these brothers  
Here try these fuckers here

All my niggaz, let's do it  
All my bitches floorin' that ass, let's do it  
Looks a crooked eye motherfucker, let's do it  
Meth and Doc we got it locked, let's do it  
My block, let's do it

I'm just too Kool and the Gang, it's a beautiful thang  
Street pharmaceutical slang scoop loose in the brain  
One mo' gen juice in my gin abusin' yo chin  
Be losin' your religion again when the venom kicks in

Living with sin citizen X triple the threat  
Mad dog wreck a animal house send in the vets  
There it goes picking my nose fixing my clothes  
At the same time keeping my flows different from  
yourz

Low key with the gold teeth half a OZ on my person  
Lookin' at y'all niggaz like y'all owe me  
For certain, I'm all that my fo'mat

Wearin' out ya do'mat I'm hurtin' commercialized acts

It's a wrap pull the curtain, Long John be long gone  
I pop shit and pop more bottles than Sean Don  
I got chip, I'm just too ghetto like Banton  
Mike V it's all in my jeans like Sean John

All my niggas, let's do it  
All my bitches floorin' that ass, let's do it  
Looks a crooked eye motherfucker, let's do it  
Meth and Doc we got it locked, let's do it  
My block, let's do it

All my niggas, let's do it  
All my bitches floorin' that ass, let's do it  
Looks a crooked eye motherfucker, let's do it  
Meth and Doc we got it locked, let's do it  
My block, let's do it

Ooh, put ya ear to the train track I'm still comin'  
I stroke different, after hours ya Phil Drummond  
Peel lemons and put 'em in bitches Coronas  
Hopin' bitches will bone us, throw they lips on my  
shoulder

Where all my dirty fingernail tell her right hell  
I'm a lay patient to play Jason and when you nightmare  
Stop, pop cordureoys and we order toys  
Medulla oblongata mean on them waterboys

Gorilla man do whatever  
I'm bound to make a fan do the same thing Stan did in  
a letter  
I bounce with a bitch with a ounce on a trip  
Take her girlfriend, nut in they mouth when they kiss

And I make 'em scream, I go banana yo  
With animal anecdotes with Hannibal hammer loads  
You be ducking like the Pope when he bowin'  
You get that for touchin' pit throats when they chowin'

All my niggas, let's do it  
All my bitches floorin' that ass, let's do it  
Looks a crooked eye motherfucker, let's do it  
Meth and Doc we got it locked, let's do it  
My block, let's do it

All my niggas, let's do it  
All my bitches floorin' that ass, let's do it  
Looks a crooked eye motherfucker, let's do it  
Meth and Doc we got it locked, let's do it

My block, let's do it

Now that's that shit, that makes me zone the fuck out  
In the club and get thrown the fuck out  
Now ain't that a bitch, if y'all ain't with us then forget us  
Miss Ebon [Incomprehensible] hip hop guerrillas

Damn just do the damn thing, ruin the game  
For everybody bury the body, ruin my name  
Meth man left hand Game Boy Advanced  
Def Jam's employee of the month now let's dance

All my niggas, let's do it  
All my bitches floorin' that ass, let's do it  
Looks a crooked eye motherfucker, let's do it  
Meth and Doc we got it locked, let's do it  
My block, let's do it

All my niggas, let's do it  
All my bitches floorin' that ass, let's do it  
Looks a crooked eye motherfucker, let's do it  
Meth and Doc we got it locked, let's do it  
My block, let's do it

Ha, ha, let's do it  
Let's do it  
Let's do it  
Let's do it  
Let's do it

Meth and Doc  
All my peoples all my bitches  
Meth and Doc
