Everyone stares
Awkwardly drawn
They watch her pretend to be as boring as she seems
I'm on my toes
I hang on her words
I ache to reveal the dark potential in her dreams

So I tear her apart
'Cause I'm curious to know what's inside her belly
I tear hear apart
'Cause I'm curious to know, yes, I'm curious to know
What is inside?

What is her secret?
The storm in her eyes
Her disguise
The truth in her lies
What is her secret?
It's breaking her down to the ground

A stain on her dress
The air heavy with fear
Every story her eyes can tell
Will lead you back to here

So you tear her apart
'Cause you're curious to know what's inside her belly
You tear hear apart
'Cause you're curious to know, yes, you're curious to
know
What is inside?

What is her secret?
The storm in her eyes
Her disguise
The truth in her lies
What is her secret?
It's breaking her down to the ground

I tear hear apart
'Cause I'm curious to know, yes, I'm curious to know

What is inside?
What lies behind?

What is her secret?
The storm in her eyes
Her disguise
The truth in her lies
What is her secret?
It's breaking her down to the ground
