Now that you're older  
Taking the time to look  
Back over your shoulder  
To the days confusion took

Now that you're wiser  
Surely you've learnt to read it  
You should know  
No surface shines brighter  
Than the light that burns beneath it

Never so sure  
We always take more  
Though we still don't know what it's for

Now that I've seen you  
Stripped to the very core  
I know that I need you  
Less than I did before

Never so sure  
We always take more  
Though we still don't know what it's for
