Ay-yo, Ay-yo. Hold onto your heart.

Some girls are so drunk on love.  
Those girls are all romance,  
Can't get enough.  
Smart are the kinds who don't care.

But darling then came you. I'm falling down. Where's my head? Spinning round

When the sky blows up, stars collide and I lose all control, think I like it say- Oh no! Hold onto your heart.

When the moon freaks out, sun is breaking and I'm scaring myself  
Cuz you're amazing say- Oh no! Hold onto your heart. Ay-yo, Ay-yo.  
Hold onto your heart.

I was just fine all alone.  
Chocolate and movies by myself at home.  
You made it hard, it's so unfair.

But darling then came you. I'm falling down. Where's my head? Spinning round

When the sky blows up, stars collide and I lose all control, think I like it say- Oh no! Hold onto your heart.

When the moon freaks out, sun is breaking and I'm scaring myself  
Cuz you're amazing say- Oh no! Hold onto your heart. Ay-yo, Ay-yo.  
Hold onto your heart.

We're on a freeway speeding hearts are  
beating, racing out of time.  
I can't believe the spell you're weaving in my life.

When the sky blows up, stars collide and I lose all control, think I like it say- Oh no! Hold onto your heart.

When the moon freaks out, sun is breaking and I'm scaring myself  
Cuz you're amazing say- Oh no! Hold onto your heart.

When the sky blows up, stars collide and I lose all control, think I like it say- Oh no! Hold onto your

heart.

When the moon freaks out, sun is breaking and I'm scaring myself  
Cuz you're amazing say- Oh no! Hold onto your heart.

Ay-yo, Ay-yo. Hold onto your.  
Ay-yo, Ay-yo. Hold onto your heart.
