Nineteen eighty four  
Someday they won't let you  
Now you must agree  
The time they are a telling  
And the changing isn't free  
You read it in the tea leaves  
And the reacks are on tv  
Beware the savage jaw  
In nineteen eighty four  
They'll split your pretty cranium  
And fill it full of air  
They'll tell you that you're eighty  
And really you won't care  
You'll be shooting up on everything  
Tomorrow's never there  
Beware the savage jaw  
In nineteen eighty four

Come see come see  
Remember me  
I played in an all night movie role  
You said it would last  
But I guess we've enrolled  
In nineteen eighty four  
Who could ask for more  
Nineteen eighty four  
Who could ask for more

I'm looking for a vehicle  
I'm looking for a ride  
I'm looking for a party  
I'm looking for a side  
I'm looking for a treason  
That I knew in sixty five  
Beware the savage door  
In nineteen eighty four

Come see come see  
Remember me  
I played in an all night movie role  
You said it would last  
But I guess we've enrolled

In nineteen eighty four  
Who could ask for more  
Nineteen eighty four  
Who could ask for more

Nineteen eighty four
