There's a time for love and a time for healin'
Can't go back and undo what's been done
(Done)

The word of mouth, time is relivin'
Just how far we've left this kingdom come
(Come)

Hand in hand we're finding our way
And today is just tomorrow's yesterday

Some will die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the borders down
There's all kinds of people in this world
(Yeah)

Kiss of life and the hand of fate
What was up into his father's son?
(Son)
And he learns to love, been taught to hate
To carry on the way it had been done
All our lives, it's debts to repay
Maybe someday, we can put the past away

Some will die for you, some will lie to you
There's all kinds of people in this world
(Aah aaa aaa)
Turn the world around, tear the borders down
There's all kinds of people in this world
(Yeah)

Some will die for you, some will lie to you
There's all kinds of people in this world
(There's all kinds of people in this world)
Put your fear away, find a better way
There's all kinds of people in this world
Yea hey, yea yea yea, hey, uhh

Underneath a broken sky
Love can heal the pain inside
In a moment, things can change
One look behind and it never the same
(Same)

Some will die for you, some will lie to you
There's all kinds of people in this world, ohh
Turn the world around, tear the borders down
There's all kinds of people in this world

Some will die for you, some will lie to you
There's all kinds of people in this world
(There's all kinds of people in this world)
Put your fear away, find a better way
There's all kinds of people in this world
(There's all kinds of people in this world)

Yea hey, yea yea yea
Underneath a broken sky
In a moment, things can change
Never same
