I call you, when I need you my heart's on fire
You come to me, come to me, wild and wild
You come to me
Give me everything I need

Give me a lifetime of promises and a world of dreams
Speak the language of love like you know what it
means
And it can't be wrong, take my heart
And make it strong, baby

You're simply the best
Better than all the rest
Better than anyone
Anyone I ever met

I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead

In your heart I see the start of every night and every
day
In your eyes, I get lost, I get washed away
Just as long as I'm here in your arms
I could be in no better place

You're simply the best
Better than all the rest
Better than anyone
Anyone I ever met

I'm stuck on your heart
I hang on every word you say
Oh, tear us apart, no, no
Baby, I would rather be dead

Each time you leave me I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone
Oh, baby, don't let go

Oh, you're the best
Better than all the rest
Better than anyone
Anyone I ever met

I'm stuck on your heart
I hang on every word you say
Oh, tear us apart, no, no
Baby, I would rather be dead

You're the best

You're simply the best
Better than all the rest
Better than anyone
Anyone I ever met

I'm stuck on your heart
I hang on every word you say
Oh, tear us apart, no, no
Baby, I would rather be dead

Oh, you're the best
You're better than all the rest
Better than anyone
Anyone I ever met

Oh, you're the best
